

Dear tourist, **YOU ARE NOT ALONE**

Your health is first. For this reason, in Peru, a State of National Emergency has been decreed to fight against the further advance of COVID-19, closing borders and restricting traffic between 8:00 p.m. and 5:00 a.m.

Our government, along with your country, are making strenuous efforts to repatriate people who were unable to return home.

Keep in touch with your consulate to be informed about the next flights to your country or enter your information at this link so we can register your case:
